## Fabrication

Our fully integrated fabrication service allows customers to order both building boards and façades to exact size in order to reduce construction cutting time, minimise wastage and enhance the accuracy and consistency of the manufacturing process. From a supplied panel list we can optimise the required panels against standard sheet sizes available to provide the most efficient use of the material. Our facade portfolio encompasses leading world-renowned façade brands as well as own brand options. We can also fabricate and assemble ACM cassette systems. For any specialised enquiries, please contact our façades team: 01782 940917 / 01782 940908 or email: [facades@rcmltd.biz](mailto:facades@rcmltd.biz).

Delivery charges may apply for all products on this page.

## Carriage Rates

As part of our flexible service approach to customers, we operate as flexible a logistics service as possible.

At RCM we endeavour to keep our delivery costs to a minimum. We are committed to charging no more than is absolutely necessary to cover our logistics costs. If you require a specific rate prior to dispatch, please call us on 0800 612 4662.
